III. DESCRIPTION OF FINDINGS & CONCLUSIONS

This facility was found to be in non-compliance with the following rules:	
R 400.14201	Qualifications of administrator, direct care staff, licensee, and members of household; provision of names of employee, volunteer, or member of household on parole or probation or convicted of felony; food service staff.
	(3) Before a temporary license is issued, an applicant and an administrator shall be competent in all of the following areas: (b) First aid.
At the time of my onsite inspection, I noted that the licensee designee, Ramon Beltran, had a First aid card that expired on 02/01/2025.	
R 400.14201	Qualifications of administrator, direct care staff, licensee, and members of household; provision of names of employee, volunteer, or member of household on parole or probation or convicted of felony; food service staff.
	(3) Before a temporary license is issued, an applicant and an administrator shall be competent in all of the following areas: (c) Cardiopulmonary resuscitation.
At the time of my onsite inspection, I noted that the licensee designee, Ramon Beltran, had a CPR card that expired on 02/01/2025.	
R 400.14310	Resident health care.
	(3) A licensee shall record the weight of a resident upon admission and monthly thereafter. Weight records shall be kept on file for 2 years.
At the time of my inspection, I noted that Resident A was missing weights from September 2023 and May 2024. I also noted that Resident B was missing weights from September 2023, April 2024, May 2024, July 2024 and September 2024.	
R 400.14507	Means of egress generally.
	(1) A means of egress shall be considered the entire way and method of passage to free and safe ground outside a small group home.

At the time of my onsite inspection, I noted that the front porch steps led directly to the uneven grass/ground and then to the driveway. The grass/ground must be paved or otherwise constructed of material that will ensure passage to free and safe ground from the front porch to the driveway.

IV. RECOMMENDATION
