Dear Thera Nichols:

This letter is a follow-up to the Department's findings regarding the interim inspection conducted at your facility on 03/21/2025. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for an Adult Foster Care medium group home.

The violations that were found are:

R 400.14403 Maintenance of premises.

(1) A home shall be constructed, arranged, and maintained to provide adequately for the health, safety, and well-being of occupants.

The dryer was equipped with a foil duct and must be replaced with a metal or flexible metal duct.

Violations were identified at the time of the inspection. You have provided an acceptable written corrective action plan.

The Department provides technical assistance to meet the licensing requirements and consultation to improve services.

Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, please contact the local office at (517) 284-9730.

Sincerely,
