II. Purpose of Addendum

To modify the original license study report populations served to add mental illness, aged, traumatic brain injured.

III. Methodology

On 04/07/2025, I received an updated program statement reflecting the added populations to the license and the Request for Modification of the Terms of the Registration/License.

On 04/07/2025, I reviewed the original licensing study report dated 10/22/2024. The licensee designee, Violet Benford, has an abundance of healthcare experience. Violet Benford obtained a Bachelor of Science degree in Nursing in 2010 and a Master of Science in Nursing Leadership and Management in 2012. Violet Benford has had a Registered Nursing (RN) license since 2010 in Michigan. Violet Benford has been an on-call hospice triage nurse in this position since 2021. Violet Benford has over seven years of experience as an RN Home Care Manager and has several years of experience as a hospice case manager, unit manager, and supervisory experience. Violet Benford's leadership, management, and coordination capabilities within hospital settings are strong and well honed. Her extensive knowledge and qualifications make her a reassuring presence in any healthcare team.

IV. Description of Findings and Conclusions

Based on the updated program statement and the experience of the Violet Benford, licensee designee, it is recommended that the terms of the registration/license be modified.

V. Recommendation

I recommended the modification to add to the license the following populations: mental illness, aged, and traumatic brain injury.
