05/23/2025	Special Investigation Initiated - Telephone Relative A
06/02/2025	Inspection Completed On-site Administrator Kari Peckham
06/02/2025	Contact - Face to Face Resident A

ALLEGATION:

Resident A fell due to a wrinkle in the carpet.

INVESTIGATION:

On 5/23/25, I contacted Relative A by telephone. Relative A stated they have asked the facility numerous times over the past couple of months to repair the carpet in Resident A's bedroom. Relative A stated she has tripped over the wrinkle in the carpet several times. Relative A stated on 5/16/25 Resident A tripped on the carpet again requiring hospitalization. He stated Resident A has several bruises on her legs and face.

On 6/2/25, I conducted an unannounced onsite inspection at the facility. The administrator Kari Peckham stated that Resident A did have a wrinkle in her carpet and that the family believes it causes her to fall. Ms. Peckham stated Resident A has one leg and uses a wheelchair to ambulate. Ms. Peckham stated she is unsure if the wrinkle in the carpet caused Resident A to fall, however, they had the carpet repaired. Ms. Peckham provided me with an after-visit summary from MyMichigan

Health for Resident A. The after-visit summary documented that Resident A was seen on 5/16/25 for a fall and diagnosed with a contusion of right lower extremity.

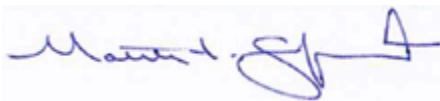

While at the facility I interviewed Resident A. Resident A could not remember the fall very well. She stated she was getting out of bed to get into the wheelchair and fell. I then observed the carpet next to Resident A's bed. There were two 12–16-inch sections of the carpet that were cut. Ms. Peckham stated on 5/22/25 they had the carpet repaired. She stated they cut the carpet, then sewed or glued the carpet down so that it would lay flat and no longer be a tripping hazard.

APPLICABLE RULE	
R 400.15403	Maintenance of premises.
	(5) Floors, walls, and ceilings shall be finished so as to be easily cleanable and shall be kept clean and in good repair.
ANALYSIS:	Interviews with Relative A, Ms. Peckham, and Resident A as well as my observation of the carpet in Resident A's room revealed that the floor was not kept in good repair.
CONCLUSION:	VIOLATION ESTABLISHED

On 7/16/25 I conducted an exit conference with the administrator Kari Peckham. Ms. Peckham concurred with the findings of the investigations and stated she would submit a corrective action plan for approval.

IV. RECOMMENDATION

Upon receipt of an acceptable corrective action plan, I recommend no change in the status of the license.
