III. DESCRIPTION OF FINDINGS & CONCLUSIONS

A. Physical Description of Facility

The premises at 4617 Eastman Road, Midland, MI 48640 is located near the corner of Saginaw and Eastman Road. This facility is located in a business district. The facility sets far back from Eastman Road. This is a ranch style facility built on a crawl space. There is ample parking space for several cars in their paved parking lot in front of the building. The home is wheelchair accessible and has two approved means of egress.

The furnace and hot water heater are located in a room that is constructed of material that has a 1-hour-fire-resistance rating. The facility is equipped with interconnected, hardwire smoke detection system, with battery backup, which was installed by a licensed electrician and is fully operational. The facility is equipped with an approved pull station alarm system and a sprinkled system installed throughout.

On 01/16/2025 the home was inspected by the Bureau of Fire Services. An "Approved" fire safety certification was recommended.

Resident bedrooms were measured during the on-site inspection and have the following dimensions:

Bedroom #	Room Dimensions	Total Square Footage	Total Resident Beds
1	10 X 14	140	1
2	10 X 14	140	1
3	10 X 14	140	1
4	10 X 14	140	1
5	10 X 14	140	1
6	12 X 20	240	1
7	12 X 20	240	1
8	12 X 20	240	1
9	12 X 20	240	1
10	12 X 20	240	1
11	12 X 20	240	1
12	12 X 20	240	1
13	12 X 20	240	1
14	12 X 20	240	1
15	12 X 15.5	186	2
16	12 X 15.5	186	2
17	12 X 15.5	186	2

The living, dining, and sitting room areas measure a total of 1342.14 square feet of living space. This exceeds the minimum of 35 square feet per resident requirement.

Based on the above information, it is concluded that this facility can accommodate **20** residents. It is the licensee's responsibility not to exceed the facility's licensed capacity.

B. Program Description

Admission and discharge policies, program statement, refund policy, personnel policies, and standard procedures for the facility were reviewed and accepted as written. The applicant intends to provide 24-hour supervision, protection and personal care to **20** male or female ambulatory or non-ambulatory adults who are aged or who are diagnosed with a developmental disability, a physical handicap, those diagnosed with Alzheimer's disease in the least restrictive environment possible.

Programs for the aged residents will include recreational activities, community interaction, health and fitness.

Programs for the Developmentally Disabled will include physical and occupational therapy services, assistance and training with activities of daily living skills, job skills training and other activities as directed by the resident's supervising agency or as written in the residents person centered plan.

Programs for the Physically Handicapped will include physical and occupational therapy as prescribed, assistance with activities of daily living and community interaction.

Programs for those diagnosed with Alzheimer's disease will include those services that will preserve dignity through gentle and sensitive treatment and opportunities for personal fulfillment. Staff will assist with personal care, such as bathing, grooming, dressing, personal hygiene and the administration of medications.

If required, behavioral intervention and crisis intervention programs will be developed as identified in the assessment plan. These programs shall be implemented only by trained staff, and only with the prior approval of the resident, guardian, and the responsible agency.

The licensee will provide for or arrange for transportation for program and medical needs as outlined in each residents' Resident Care Agreement. The facility will make provision for a variety of leisure and recreational equipment. It is the intent of this facility to utilize local community resources including libraries, local museums, shopping centers, and local parks.
