II. Purpose of Addendum

The purpose of this addendum is to add Mentally ill, Developmental disabilities

III. Methodology

On 9/19/25, application was received for special certification to add mentally ill and developmental disabilities to the program type.

IV. Description of Findings and Conclusions

The program for the mentally ill residents will include the development of skills related to social interaction, personal hygiene, personal adjustment, and public safety. A personal behavior support plan will be designed and implemented for each resident's social and behavioral developmental needs.

Programs for the Developmentally Disabled will include physical and occupational therapy services, assistance and training with activities of daily living skills, job skills training and other activities as directed by the residents supervising agency or as written in the individual plan of service.

V. Recommendation

I recommend the modifications to the license to add mentally ill and developmental disabilities to the program type population served.
