RE: License #: AS820411181
Ball A.F.C
6916 Ball Road
Romulus, MI 48174

Dear Mr. Akise:

Attached is the Renewal Licensing Study Report for the facility referenced above. The violations cited in the report require the submission of a written corrective action plan. The corrective action plan is due 15 days from the date of this letter and must include the following:

- How compliance with each rule will be achieved.
- Who is directly responsible for implementing the corrective action for each violation.
- Specific dates for each violation as to when the correction will be completed or implemented.
- How continuing compliance will be maintained once compliance is achieved.
- The signature of the licensee or licensee designee or home for the aged, authorized representative and a date.

Upon receipt of an acceptable corrective plan, a regular license will be issued. If you fail to submit an acceptable corrective action plan, disciplinary action will result.

Please contact me with any questions. In the event that I am not available and you

need to speak to someone immediately, you may contact the local office at (313) 456-0439.

Sincerely,

A handwritten signature in blue ink, appearing to read "Edith Richardson".

III. DESCRIPTION OF FINDINGS & CONCLUSIONS

This facility was found to be in non-compliance with the following rules:

R 400.627 Licensee and administrator training requirements.

(1) A licensee and administrator shall complete annual training based on the license issue date, the educational requirements specified in subdivision (a) or (b) of this subrule, or a combination that totals 16 hours:

(a) 16 hours of training accepted by the department that is relevant to the licensee's admission policy and program statement.

(b) 6 credit hours at an accredited college or university in an area that is relevant to the licensee's admission policy and program statement as accepted by the department.

The licensee did not complete the annual training.

R 400.631 Health screenings.

(2) A licensee shall have on file a statement signed by a licensed physician or physician's designee attesting to the physical health of the licensee, staff, and members of the household. Statements for the licensee and administrator must be signed no more than 6 months before the issuance of a temporary license and at any other time requested by the department. Statements for staff and members of the household must be obtained within 30 days of employment start date, assumption of duties, or occupancy in the facility.

The licensee did not obtain a physician statement for direct care staff M. Black.

R 400.639 Staff records.

(1) A licensee shall maintain a record for each staff that contains all of the following:

(f) Verification of not less than 2 reference checks. If reference checks cannot be obtained, documentation verifying reference checks were attempted must be maintained.

The licensee did not have reference checks for direct care staff M. Black.

R 400.647 Safety and maintenance of premises.

(1) A facility must be constructed, arranged, and maintained to provide adequately for the health, safety, and well-being of occupants.

The hallway from the kitchen to the dining room has two steps. There are no warning signs to indicate that these steps are there.

R 400.647 Safety and maintenance of premises.

(2) Home furnishings and housekeeping standards must present a comfortable, clean, and orderly appearance.

The blue dresser was missing a knob.

R 400.685 Resident admission; resident assessment plan; resident care agreement; health care appraisal.

(2) A licensee shall not accept or care for a resident until a written assessment has been completed. A written assessment plan must include all of the following:

(a) The amount of personal care, supervision, and protection required by the resident that is available at the facility.

(b) The services, skills, and physical accommodations required by the resident that are available at the facility.

(c) The resident is compatible with other residents, assigned roommate, and members of the household.

The licensee accepted a resident and did not complete a written assessment.

R 400.723 Fire extinguishers.

(2) Fire extinguishers must be examined and maintained as recommended by the manufacturer.

The licensee did not have the fire extinguisher examined annually. It was last serviced in 2023.

R 400.727

Smoke detection equipment for family home and small group home with 6 or less residents after March 27, 1980.

(3) If batteries are used as a source of energy, the batteries must be replaced in accordance with the recommendations of the alarm equipment manufacturer.

A smoke detector was chirping.

IV. RECOMMENDATION

Contingent upon receipt of an acceptable corrective action plan, renewal of the license is recommended.
