II. Purpose of Addendum

The purpose of this addendum is to decrease capacity from six (6) to four (4) as requested in writing by licensee designee, Kathryn Simpson.

III. Methodology

On 03/26/2026, I received a telephone call from licensee designee, Kathryn Simpson requesting to decrease capacity from six (6) to four (4). Ms. Simpson stated the four residents at Bigelow CLF have complex needs and will not be admitting any other residents into the home. I advised Ms. Simpson to submit her request in writing.

On 03/31/2026, Ms. Simpson completed the request for modification of the terms of the license form requesting capacity at Bigelow to be decreased from six (6) to four (4). Ms. Simpson explains that Bigelow has high complex and support needs and adding another individual at this time would compromise the safety and stability of the environment.

IV. Description of Findings and Conclusions

Based on the request and document reviewed, Bigelow's capacity should be decreased from six (6) to four (4).

V. Recommendation

I recommend the capacity to be four (4) at Bigelow CLF.
