RE: License #: AL250419531
Burton Comfort Care II
5310 Davison Rd
Burton, MI 48509

Dear Kory Feetham:

Attached is the Renewal Licensing Study Report for the facility referenced above. The violations cited in the report require the submission of a written corrective action plan. The corrective action plan is due 15 days from the date of this letter and must include the following:

- How compliance with each rule will be achieved.
- Who is directly responsible for implementing the corrective action for each violation.
- Specific dates for each violation as to when the correction will be completed or implemented.
- How continuing compliance will be maintained once compliance is achieved.
- The signature of the licensee or licensee designee or home for the aged authorized representative and a date.

A six-month provisional license is recommended. If you do not contest the issuance of a provisional license, you must indicate so in writing; this may be included in your corrective action plan or in a separate document. If you contest the issuance of a provisional license, you must notify this office in writing and an administrative hearing will be scheduled. Even if you contest the issuance of a provisional license, you must still submit an acceptable corrective action plan within 15 days.

Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, you may contact the local office at (517) 643-7960.

Sincerely,

A handwritten signature in dark ink, appearing to read "Kent W. Gieselman". The signature is fluid and cursive, with the first name "Kent" being more prominent and the last name "Gieselman" following in a similar style.

A provisional license may be issued for 6 months if an adult foster care facility is temporarily unable to conform to the requirements of this act for a regular license and may be renewed not more than 2 consecutive times as provided in subsections (2) and (4). The issuance of a provisional license shall be contingent upon the submission to the department of an acceptable plan of correction for the adult foster care facility within the time limitations of the provisional period.
