III. DESCRIPTION OF FINDINGS & CONCLUSIONS

This facility was found to be in non-compliance with the following rules:

R 400.619 Emergency preparedness plan.

(8) A licensee shall practice the emergency preparedness plan, including the fire safety plan, at least once a quarter per calendar year during each shift, 7 a.m. to 3 p.m., 3 p.m. to 11 p.m. and 11 p.m. to 7 a.m. A record of the practices must be maintained for 2 years.

The fire drills were not documented from the time period of 05/2025-09/2025.

A corrective action plan was requested and approved on 05/28/2026. It is expected that the corrective action plan be implemented within the specified time frames as outlined in the approved plan. A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license and special certification.

IV. RECOMMENDATION

An acceptable corrective action plan has been received. Renewal of the license and special certification are recommended.
