III. DESCRIPTION OF FINDINGS & CONCLUSIONS

400.713 License required; application; forms; investigation; on-site evaluation; issuance or renewal of license; disclosures; maximum number of persons; stating type of specialized program; issuance of license to specific person at specific location; transferability of license; sale of facility; notice; items of noncompliance; refusal by department to issue or renew license; conditions; unlicensed facility; violation as misdemeanor; penalty; receipt of completed application; issuance of license within certain time period; inspections; report; criminal history and records check; storage of fingerprints in automated fingerprint identification system database; convictions; "completed application" defined.

(3) Before issuing or renewing a license, the department shall investigate the activities and standards of care of the applicant and shall make an on-site evaluation of the facility. On-site inspections conducted in response to the application may be conducted without prior notice to the applicant. On-site inspections conducted for renewing a license may be conducted within 12 months before the expiration date of the current license without impact on the license renewal date or the license fee. Subject to subsections (9), (10), and (11), the department shall issue or renew a license if satisfied as to all of the following:

(b) The applicant's compliance with this act and rules promulgated under this act.

There have been no residents in care during the temporary license period.

On 5/4/26, consultation was provided to Mr. Rubibi regarding no residents in care during the temporary license period and the possibility of changing the license type to provisional status when it expires.

On 6/15/26, Mr. Rubibi confirmed there were no residents in care.

On 6/17/26, I received an acceptable plan of corrective action indicating Mr. Rubibi accepted issuance of the provisional license.

IV. RECOMMENDATION

Issuance of a provisional license is recommended.
