Better Living Bradford

Belding, MI 48809

Dear Mr. Rutaramirwa:

This letter is a follow-up to the Department's findings regarding the interim inspection conducted at your facility on 05/15/2026. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for an Adult Foster Care small group home.

The violations that were found are:

R 400.631 Health screenings.

(2) A licensee shall have on file a statement signed by a licensed physician or physician's designee attesting to the physical health of the licensee, staff, and members of the household. Statements for the licensee and administrator must be signed no more than 6 months before the issuance of a temporary license and at any other time requested by the department. Statements for staff and members of the household must be obtained within 30 days of employment start date, assumption of duties, or occupancy in the facility.

At the time of inspection, direct care worker, Kevin Nshuti did not have a statement signed by a licensed physician or physician's designee attesting to his physical health within 30 days of hire.

Due to the violations identified in the report, **a written corrective action plan** is required. The corrective action plan is due 15 days from the date of this letter and must include the following:

- How compliance with each rule will be achieved.
- Who is directly responsible for implementing the corrective action for each violation.
- Specific time frames for each violation as to when the correction will be completed or implemented.
- How continuing compliance will be maintained once compliance is achieved.
- The signature of the responsible party and a date.

The Department provides technical assistance to meet the licensing requirements and consultation to improve services.

Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, please contact the local office at (517) 335-5985.
