RE: License #: AS390420079
A & L AFC
131 W Alcott
Kalamazoo, MI 49001

Dear George Atemandeh:

A six-month provisional license is recommended and termination of the temporary specialized certification for the mentally ill and developmentally disabled populations. If you do not contest the issuance of a provisional license, you must indicate so in writing; this may be included in your corrective action plan or in a separate document. If you contest the issuance of a provisional license, you must notify this office in writing and an administrative hearing will be scheduled.

Even if you contest the issuance of a provisional license, you must still submit an acceptable corrective action plan within 15 days. The corrective action plan is due 15 days from the date of this letter and must include the following:

- How compliance with each rule will be achieved.
- Who is directly responsible for implementing the corrective action for each violation.
- Specific dates for each violation as to when the correction will be completed or implemented.
- How continuing compliance will be maintained once compliance is achieved.
- The signature of the licensee or licensee designee or home for the aged authorized representative and a date.

Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, you may contact the local office at (517) 335-5985.

Sincerely,

A handwritten signature in black ink that reads "Cathy Cushman". The script is cursive and fluid, with the first name "Cathy" and last name "Cushman" clearly legible.
