Dear Ms. Miller:

This letter is a follow-up to the Department's findings regarding the interim inspection conducted at your facility on 08/21/2026. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for an Adult Foster Care medium group home.

The violations that were found are:

R 400.673 Use of assistive devices, therapeutic support.

(1) An assistive device or therapeutic support intended to achieve or maintain a resident's proper position to enhance mobility, physical comfort, safety, and well-being must be specified in the resident's assessment plan and agreed on by the resident or resident's designated representative.

During the on-site inspection I reviewed Resident A's resident record. The *Assessment Plan for AFC Residents* document dated 2/3/26 did not list a Hoyer lift as an assistive device being utilized to assist with Resident A's transfers. However, the direct care staff reported they are utilizing a Hoyer lift for Resident A's transfers. All assistive devices must be added to the resident assessment plan.

Due to the violations identified in the report, **a written corrective action plan** is required. The corrective action plan is due 15 days from the date of this letter and must include the following:

- How compliance with each rule will be achieved.
- Who is directly responsible for implementing the corrective action for each violation.
- Specific time frames for each violation as to when the correction will be completed or implemented.
- How continuing compliance will be maintained once compliance is achieved.
- The signature of the responsible party and a date.

The Department provides technical assistance to meet the licensing requirements and consultation to improve services.

Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, please contact the local office at (517) 335-5985.

Sincerely,
