ALLEGATION:

Resident A was assaulted and battered by facility staff.

INVESTIGATION:

On 8/13/2026, an APS referral was received.

On 8/13/2026, I was contacted by Jessica Walter of the Pittsfield Twp police department. She shared three videos dated 3/31/2026, 6/10/2026, and 7/15/2026 that allegedly four former Eisenhower Center staff made assaulting and battering two Eisenhower Center residents. In one of the videos, date unknown, a staff/individual not seen in the video, can be heard swearing at Resident A and dragging Resident A across his bedroom floor.

On 8/13/2026, I sent an email and made a phone call to detective Nader Jamil of the Ann Arbor police department.

On 8/14/2026, I went to the Ann Arbor police department and viewed the videos with detective Nader Jamil. He stated that he would be recommending charges against the former staff after he had a positive identification of them.

On 8/18/2026, I interviewed Resident A. He is non-verbal, so he could not communicate any details. The alleged assault looks like it took place in Resident A's room/bedroom. There were no other residents in his room who could have witnessed the incident. Although he had some existing bruises and abrasions on his body, he did not express any physical pain. I also interviewed Daniel Bogosian, licensee designee. He stated that the two persons, Santana Blair and Sory Yansane, alleged to have mistreated Resident A are not Eisenhower Center employees.

On 8/24/2026, I telephoned the four persons alleged to have mistreated Resident A. Although Santana Blair was not an employee, I called to find out what he might know about the incident. He did not answer my telephone call. Secondly, Treyvaugh Pittman also did not return my telephone calls. Third, Sory Yansane stated that he never worked at Eisenhower Center. He stated that his father of the same name did apply to work at Eisenhower Center but never began his employment there. Finally, Cameron Hardin stated that he was arrested for an assault at some prior date unrelated to this investigation at which time the police confiscated his phone and found the videos. He stated that he did not mistreat any of the Eisenhower Center residents.

On 8/24/2026, I interviewed Rohman Bounds program director at the Eisenhower Center. He stated that he only saw one of the videos and it did not include Resident A.

On 8/24/2026, I interviewed Guadian A1. He stated that he was displeased with Resident A's placement at the Eisenhower Center and would prefer a different placement. He stated that although he heard about the videos, he has not seen any of them to date.

On 8/24/2026, I conducted an exit conference with Daniel Bogosian. He stated that Eisenhower Center was also intending to request the police charge the individual(s) responsible for the assault and battery of Resident A.

On 8/26/2026, I interviewed current direct care staff Jalen McKinney, Bintou Conde, and Jabari Currie. Jalen McKinney and Bintou Conde state that they knew nothing about Resident A being mistreated by any staff. Jabari Currie did not return my telephone calls. The alleged assault and battery of Resident A took place in his room with no other residents.

APPLICABLE RULE	
R 400.641	Resident behavior interventions.
	(5) Staff, volunteers, visitors, or other occupants of the facility shall not mistreat a resident. Mistreatment includes any intentional action or omission that exposes a resident to serious risk, physical or emotional harm, or the deliberate infliction of pain by any means.
ANALYSIS:	Although the name(s) of the individual(s) responsible for the assault and battery of Resident A are not known at this time, the undated video evidence is clear that staff, visitors, or other occupants of the facility mistreated Resident A when they swore at him and dragged him across the bedroom floor.
CONCLUSION:	VIOLATION ESTABLISHED

IV. RECOMMENDATION

Contingent upon the receipt of an acceptable corrective action plan,
I recommend no change in the license status.
