III. DESCRIPTION OF FINDINGS & CONCLUSIONS

A. Physical Description of Facility

The Ainsworth home is a one- story structure with basement and attached garage located in a residential area of Fort Gratiot Michigan. The first floor consists of a large living room, dinette area, kitchen, two bathrooms, first floor utility room, and three bedrooms. The home utilizes Fort Gratiot's public water and sewage systems. At final inspection on April 28, 2004, all violations cited at the preliminary inspection on March 26, 2004, were found to be corrected. The facility was also determined to be in full compliance with administrative rule requirements regarding fire safety.

The first floor northwest bedroom contains 152.91 square feet and will house one ambulatory adult. The first floor west bedroom contains 98.83 square feet and will house one ambulatory adult. Although the northwest bedroom contains the required square footage for two adults the applicant has indicated it is their intent to only provide services to two adults. The licensees will occupy the first floor Southwest bedroom.

The facility has 385.75 square feet of indoor living space. The licensees will reside in the facility with two residents requiring 175 square feet of indoor living space. Compliance to the requirements of Rule 27.1 has been determined.

The basement is not approved for resident use and/or occupancy.

B. Program Description

Licensing record clearance requests have been received and processed for Mr. And Mrs. Ainsworth verifying their good moral character. Medical documentation and negative tuberculin test results have also been received verifying their physical and mental health. Mr. And Mrs. Ainsworth are also concurrently licensed as a foster care family home, License number CF740256758. They are aware to comply with the requirements of Section 36 (1) Act 218, Public Acts of 1979 as amended, they must not admit additional minor children for care.
