II. Purpose of Addendum

On June 8, 2006 a request was received to increase the capacity of Sunset Assisted Living from four residents to five residents.

III. Methodology

12-28-2006 Original Licensed Issued
6-8-2005 Letter received to increase capacity from four residents to five residents.

IV. Description of Findings and Conclusions

At the renewal inspection, on June 8, 2006 a request was received to increase the capacity of this facility from four residents to five residents. The Northeast room was not licensed as a bedroom and was being used as an activities room.

At the inspection, the Northeast bedroom measured 9'10" x 12'10" equals 126.1 square feet, which is more than enough for one resident. The home has a living room measuring 345.9 square feet and a dining room measuring 133.6 sq. feet. Total living space equals 479.5 square feet of indoor living space for five residents.

The Northeast bedroom was equipped with a bed, a dresser, a mirror and a chair and a closet.

V. Recommendation

I recommend the capacity of Sunset Assisted Living be increased from four residents to five residents.
