II. Purpose of Addendum

The purpose of this addendum is to change the capacity of Harmony House from five to six residents.

III. Methodology

On August 16, 2007, this licensing consultant received a Request for Modification Of the Terms of The License. Field file records were reviewed.

On August 16, 2007, this licensing consultant conducted an on-site inspection. The bedrooms and common living areas of the home were inspected and measured. A fire safety inspection was conducted.

On August 16, 2007, this licensing consultant recommended a change in capacity from five to six residents.

IV. Description of Findings and Conclusions

Field file records indicated that Harmony House was initially licensed for six residents on December 1, 1999. The capacity was reduced to five residents on or about May 31, 2002. An Addendum to the Original Licensing Study was not completed at the time.

The private southeast bedroom contained 152 square feet of space and could accommodate two residents.

The semiprivate northeast bedroom contained 138 square feet of space and accommodated two residents.

The private southwest bedroom contained 98 square feet of space and accommodated one resident.

The private west bedroom contained 84 square feet of space and accommodated one resident.

The living and dining rooms contained 344 square feet of space or 57 square feet of common space with six occupants.

The southeast bedroom shall be equipped with a dresser and bed that is currently in storage prior to semiprivate occupancy.

A fire safety inspection was completed. Harmony House was determined to be in compliance with the Fire Safety Rules for Adult Foster Care Small Group Homes.

V. Recommendation

It is the recommendation of this licensing consultant that the capacity of the Harmony House license change from five to six residents.
