RE: License #: AF800274033  
Cozy Hill

Dear Stassek, Stephen and Stassek, Minerva:

Attached is the Addendum to the Original Licensing Study Report for the above referenced facility.

Please review the enclosed documentation for accuracy and feel free to contact me with any questions. In the event that I am not available and you need to speak to someone immediately, please feel free to contact the local office at (269) 337-5066.

In addition to the licensed capacity issue, this letter is to confirm your commitment to removing any video monitoring equipment from private resident areas (such as bedrooms or bathrooms), and to the continued clean up of construction debris and household belongings due to recent remodeling of the home and changes in household members. Also, as we discussed, you have reached the maximum number of household members allowed by administrative rule (10 persons exclusive of the licensees).

Sincerely,

Kelly Williams, Licensing Consultant
